About This Content

American History Lux is a campaign that takes you through the wars that have shaped American History.

Learn Your American History
Start with the colonization of North America and the rise of the United States. Follow with the World Wars and US overseas campaigns. Every war comes as a realistic map outlining the important cities and geography of the time. Background information and links to full Wikipedia histories complete your interactive learning experience.

Difficult Enough For You
Four varying levels of difficulty provide a good challenge for newcomers and experienced Luxers alike. Beat the game on General level and a special super-hard difficulty will unlock itself.

American History Lux is a DLC that for Lux Delux.

the games comes with it included. and the game itself is awesome.
It\u00b4s very much like the board game War, but with several maps, you can play against AI, online, or against human oponents on the same device.
if you like board games get this one
. very good and free add on (last mission is hardcore ^^)
